RL: Reference Limit of method. Methods that are accredited (ISO17025:2017) are described with “/AM” at the end of the method’s code. Methods out of the scope of accreditation are described with “/OS” at the end of the method’s code. Tests performed by subcontractors are identified by the symbol *. The accreditation number of the subcontractor is referred to at the end of this report. All tests are performed in HELLASCHEM facilities, unless differently mentioned in the certificate of analysis.
